WORK EXPERIENCE

Amadeus via Scalian 2019 - Today
Project Manager • Coordination of complex multi-site technical migrations in the context of 2 projects related to the security of sensitive data (PCI-DSS). Involved in the SAFe transformation program.

Self-employed 2017 - 2019
Consultant • Consultant for the conception of digital marketing strategies. Conducted the development stages of a comprehensive web-based platform.

Bluewater 2008 - 2017
Head of Digital • In charge of digital strategy and driving the corporate digital transformation. Handled multiple projects from conception to production along with their integration into a large ecosystem of digital products. Operating in 6 countries and boasting 130K+ active users, the company grew into the largest user base in yachting following the acquisition of 2 major players.

Œil du Net 2006 - 2008
Business Owner • Award-winning creative studio focused on all aspects of digital production and communication together with branding and print advertising for the hospitality, aerospace and yachting industries.

Amadeus via Hoatech 2003 - 2006
PMO • Conception and development of a transversal Intranet platform. Defining and improving project management methodologies by providing a global vision encompassing the plans of 40+ projects of varying size and complexity. Nominated for the Amadeus Quality Awards.

Amadeus, Compaq, ETSI 1997 - 2002
Intern • 10 week to 6 month work placements during my degree courses. Design and programming of several Intranet sites and a real-time statistics application.
